INTRODUCTION

This book is designed to help the students of ponics to become more familiar with some political or cep's and terms meticulously. The purpose of this book is a take students through each topic in the syllabus in a way which will help them to understand political events. The book consisted of eight chapters, each presents them as the potant aspects of the topic and provides the students actions to test their understanding of the topic and self-as ressment exercises designed to assist their progress. There is also a glossary at the end of the book which will assist the addents in their better understanding.

We hope that readers can make best use of the present manuscript and succeed in their future educational journeys.
