ACKNOWLEDGMENTS

I would like to express my sincere gratitude to my parents, brothers and sisters for their emotional support.

This work could not have been completed without the love, patience and support of my husband, Mohammad Reza Nouri.

I would like to acknowledge my dear relatives and friends who have given me continuous support throughout this book for their understanding, caring and encouragement.

My deepest respect, admiration and gratitude are for my colleagues, Yaqob Imani, Hossein Alavi Langroudi and Javad Zakeri who carefully proofread the final manuscript and made a number of helpful suggestions.

Finally, I dedicate this work to my dear daughter, Sonia.
